2021-2022 COVID Protocols

- Employees/students are advised to wear a mask when interacting with others
- No changes to our current protocol with Covid-19 testing
 - An employee/student displaying any of the Covid-19 symptoms needs to be sent out for testing immediately
 - Most Common
 - Fever
 - Dry Cough
 - Tiredness
 - Less Common
 - Aches and Pain
 - Sore Throat
 - Diarrhea
 - Conjunctivitis
 - Loss of Taste or Smell
 - Contact tracing will still happen as it has been
 - A negative result can return immediately
 - A positive result will need to be out of the building for 10 days beyond the first day of symptoms
 - Employees can use sick and/or vacation time
 - Any fully vaccinated individual will not need to be tested if they were exposed
- Locations will also be following local guidelines as it relates to customers/employees/students
- All Excel Centers will continue to follow local guidelines as they pertain to social distancing/cleaning/handwashing/respiratory etiquette and signs are posted throughout each building.
